COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 08-309

---

Complainant: No. 1350810769A

Judge: No. 1350810769B

---

**ORDER**

The commission reviewed the complaint filed in this matter and found no intentional ethical misconduct on the part of the judge. Although there were several issues of concern, the commission noted that the judge had only been on the bench for a matter of weeks and had received no training. The commission decided, therefore, to dismiss the complaint with a comment, pursuant to Rule 16(a) reminding the judge that he needs to maintain competency and be more courteous to litigants.

Dated: March 12, 2009.

My court appointment was at 9:00 am  
The judge started hearing cases until 9:07, after asking everybody for an applause for his assistant, he started to hearing cases then after he heard a couple cases he said he was sorry for the economic times and that he was going to try to help everybody after hearing a couple more cases he called my case. The tenant and myself approach ~~to~~ him and after hearing my case and the tenant admitting he had no pay me the rent he asked me for the rental agreement I said I did not have it with me then he told me that he was going to dismissed my case and give the tenant another month to move out, I asked the ~~judge~~ <sup>judge</sup> why he was asking for the rental agreement if that was not necessary in Arizona for an agreement of 12 months or less then he told me he doesn't care (I don't remember his exact words) but that in his court he wants everything in writting that he was not going to hear my case. I also offer to have ~~the rental agreement~~ <sup>the rental agreement</sup> from my office in less than 5 minutes and he said NO, I asked him IF I can re-file to get the tenant out ~~at~~ before that was the date the ~~judge~~ <sup>(Attach additional sheets as needed)</sup> judge told my tenant to move out, and then he say that even if I refile this case is close and that ~~he~~ he was not going to hear it. I don't feel fair that he has the right to ~~decide~~ <sup>decide</sup> and give my tenant free when I have to pay a mortgage.
