Once the contractor is selected, a work order or purchase order will be prepared between the Department and the Contractor. The work order or purchase order will refer to this contract and by reference will incorporate all the terms and conditions of this contract. Any attempt to represent any material and/or service as being under contract with the court which is not covered under this contract is a violation of the contract and the Judicial Branch Procurement Rules. Any such action is subject to the legal and contractual remedies available to the court inclusive of, but not limited to, contract cancellation, suspension and/or debarment of the contractor.
5. **Gratuities.** The Court may, by written notice to the Contractor, terminate the Contract if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the Court or the state with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance of such Contract. In the event this Contract is canceled by the Court pursuant to this provision, the Court shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity. Paying the expense of normal business meals which are generally made available to all eligible customers shall not be prohibited by this paragraph.

6. **Payment.** A separate invoice shall be issued for each product order and no payment shall be issued prior to product delivery and correct invoice. Payment shall be subject to the provisions of ARS Title 35. The contractor will invoice the Departments using standard vouchers and format instructions approved by the Departments.
7. **Shipping Terms.** Bid prices shall be F.O.B. Destination for all regularly scheduled deliveries. Additional freight charges will not be authorized. Vendor shall retain title and control of all goods until they are delivered to the respective department and acceptance has been made by a representative of the department. All risks of transportation and all related charges shall be the responsibility of the Vendor. The Court will notify the Vendor promptly of any damaged goods and shall assist the Vendor in arranging for inspection.
8. **Delivery.** All orders must be delivered within 30 days of receipt. Delivery shall be accomplished during normal working hours, Monday thru Friday from 8 a.m. until 5 p.m. The department will not accept deliveries on State holidays unless prior arrangements have been made and agreed to by both parties.
9. **Availability of Funds.** Payments for contractual obligations are contingent on funds for that purpose being appropriated, budgeted, and otherwise made available, and the provisions of the Contract shall be effective only when funds appropriated for the purpose of compensating Contractor actually are available to the Court for disbursement. The Administrative Director of the Courts shall be the sole judge and authority in determining the availability of funds under the Contract and shall keep the Contractor informed as to the availability of funds. The Court shall not be liable for any purchases or subcontracts entered into by Contractor in anticipation of funding.
10. **Assignments and Subcontracts.** No rights or obligations shall be assigned, delegated, or subcontracted in whole or in part, without the prior written approval of the Court.
11. **Other Contracts.** The Court may perform additional work related to this Contract or award other contracts for such work. The Contractor shall cooperate fully with such other contractors or state employees in the scheduling of and coordination of its own work with such additional work.
12. **Applicable Law.** The laws and regulations of the State of Arizona shall govern the rights of the parties, the performance of this Contract and any dispute thereunder. Any action relating to this Contract shall be brought in an Arizona Court in Maricopa County. Any changes in the governing laws, rules and regulations during the term of this Contract shall apply and do not require an amendment to this Contract.
13. **Arizona Procurement Code.** The Arizona Procurement Code (ARS Title 41, Chapter 23) and the Arizona Supreme Court Rules Prescribing Procurement Policies and Procedures for the Judicial Branch (Judicial Branch Procurement Rules) are incorporated as a part of this document as if fully set forth herein.
14. **Entire Agreement.** The Contract contains the entire agreement between the Court and the Contractor concerning the subject transaction and shall prevail over any and all previous agreements, contracts, bids, negotiations, purchase orders or master agreements in any form.
15. **Amendments and Waivers.** Amendments to the Contract shall be in writing and shall be signed by all parties to the Contract. To the extent that any amendments to the Contract are in conflict with the basic terms and conditions of the Contract, the amendments shall control the interpretation of the Contract. No condition or requirement contained in or made a part of the Contract shall be waived or modified without a written amendment to the Contract.
16. **Provisions Required by Law.** Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or

otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

- 17. Conflicts of Interest.** The Court may cancel this Contract without penalty or further obligation pursuant to ARS §38-511, if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of the Court is or becomes at any time, while the Contract or any extension of the Contract is in effect, an employee of any other party to the Contract in any capacity or a consultant to any other party to the Contract with respect to the subject matter of the Contract. Cancellation shall be effective when written notice from the Court is received by all parties to the Contract unless the notice specifies a later time.
- 18. Severability.** If any provision of the Contract is held invalid or unenforceable, the remaining provisions shall continue valid and enforceable to the full extent permitted by law.
- 19. Relationship of the Parties.** It is clearly understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. The Contractor is an independent contractor in the performance of work and the provision of services under this Contract.
- 20. Interpretation.** This Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object. Whenever a term defined by the Arizona procurement code or the Judicial Branch Procurement Rules is used in this Contract, the definition contained in this code or these rules shall control with the provisions of the Judicial Branch Procurement Rules governing in the case of conflicting terms.
- 21. Rights and Remedies.** No provision in this document or in the Contractor's offer shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim of default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract or to exercise or delay the exercise of any right or remedy provided in the Contract, or by law, or the acceptance of services, or the payment for services, shall not release either party from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.
- 22. Disputes.**
- A. **Contract Administrator Procedure.** If any dispute arising under this Contract is not disposed of by agreement between the parties within thirty (30) days, then the Court contract administrator identified in this Contract shall decide the dispute in writing and send a copy of the decision to Contractor.
 - B. **Appeals.** If the Court contract administrator's decision is not acceptable to Contractor, the dispute shall be resolved in accordance with the procedures set forth in Supreme Court Administrative Policy 7.04.
 - C. **Continued Performance.** The Court and the Contractor agree that the existence of a dispute notwithstanding, they will continue without delay to carry out all their responsibilities under this Contract that are not affected by the dispute.
- 23. Warranties.** Contractor warrants that material and/or services delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of a material or service specified and any inspection incidental thereto by the Court, shall not alter or affect the obligations of the Contractor or

the rights of the Court under the foregoing warranties. Additional warranty requirements may be set forth in this document.

24. Indemnification. To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers' Compensation Law or arising out of the failure of such Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this contract, the Contractor agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the Contractor for the State of Arizona. This indemnity shall not apply if the contractor or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

25. Overcharges by Antitrust Violations. The Court maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the Court any and all claims for such overcharges as to the goods or services used to fulfill the Contract.

26. Force Majeure.

A. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God, acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts, or failures or refusal to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with this agreement.

B. Force majeure shall not include late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

C. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

- 27. **Right to Assurance.** If the Court in good faith has reason to believe that the Contractor does not intend to, or is unable to perform or continue performing under this Contract, the Court may demand in writing that the Contractor give a written assurance of intent to perform. If commercially reasonable, the Court may suspend any performance for which it has not already received the agreed return until it receives such assurance. Failure by the Contractor to provide written assurance within the number of days specified in the demand may, at the Court’s option, be the basis for terminating the Contract under rights and remedies available by law or provided by the contract.
- 28. **Records.** Pursuant to provisions of Title 35, Chapter 1, Article 6 Arizona Revised Statutes §35-214 and §35-215 each Contractor shall retain, and shall contractually require each subcontractor to retain, all books, accounts, reports, files and other records relating to the acquisition and performance of the Contract for a period of five (5) years after the completion of the Contract. All such documents shall be subject to inspection and audit at reasonable times. Upon request, a legible copy of any or all such documents shall be produced at the offices of the Auditor General, the Attorney General, the Supreme Court or any agency doing business under this Contract. This paragraph does not apply to confidential information or trade secrets, such as product costing data, research and development data, and the like.
- 29. **Advertising.** Contractor shall not advertise or publish information concerning this Contract, without prior written consent of the Court. The Court shall not unreasonably withhold permission.
- 30. **Right to Inspect Plant.** The Court may, at reasonable times, and at the Court's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any contract as awarded or to be awarded, in accordance with the Judicial Branch Procurement Code.
- 31. **Acceptance.** All services are subject to acceptance by the Court. Service or failing to conform to the specifications of this Contract shall be held at Contractor's risk and may be returned to the Contractor. If so returned, all costs are the responsibility of the Contractor. Compliance shall conform to the termination clause set forth in this document.
- 32. **Exclusive Possession.** All services, information, computer program elements, reports and other deliverables which may be created under this Contract are the sole property of the Court and shall not be used or released by the Contractor or any other person except with prior written permission of the Court.
- 33. **Licenses and Permits.** Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.
- 34. **Insurance.** Contractor shall procure and maintain until all of their obligations have been discharged, including any warranty periods under this Contract are satisfied, insurance against claims for injury to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Contractor and subcontractors, their agents, representatives, and employees.

The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The Court in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this contract by the Contractor, its agents, representatives, employees or subcontractors, and Contractor is free to purchase additional insurance.

- Jeff Schrade
Education Services Division Director
Arizona Supreme Court
Administrative Office of the Courts
1501 West Washington
Phoenix, AZ 85007
- D. Acceptability of Insurers: Contractor's insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an "A.M. Best" rating of not less than A-VII. The Court in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insure insolvency.
- E. Verification of Coverage: Contractor shall furnish the Court with certificates of insurance (ACORD form or equivalent approved by the State of Arizona) evidencing that Contractor has the insurance as required by this Contract. An authorized representative of the insurer shall sign the certificates.

1. All certificates of insurance and policy endorsements must be received by the Court before work commences. The Court's receipt of any certificates of insurance or policy endorsements that do not comply with this agreement shall not waive or otherwise affect the requirements of this agreement.
 2. Each insurance policy required by this Contract must be in effect at, or prior to, commencement of work under this contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.
 3. All certificates required by this Contract shall be sent directly to the Court's representative. The Court contract number and project description shall be noted on the certificate of insurance. The Court reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time. **DO NOT SEND CERTIFICATES OF INSURANCE TO THE STATE OF ARIZONA'S RISK MANAGEMENT SECTION.**
- F. Subcontractors: Contractors' certificate(s) shall include all subcontractors as insureds under its policies or Contractor shall be responsible for ensuring and/or verifying that all subcontractors have valid and collectable insurance as evidenced by the certificates of insurance and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum Insurance Requirements identified above. The Court reserves the right to require, at any time throughout the life of this contract, proof from the Contractor that its subcontractors have the required coverage.
- G. Approval and Modifications. The Court, in consultation with State Risk, reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this contract, as deemed necessary. Such action will not require a formal Contract amendment but may be made by administrative action.
- H. Exceptions. In the event the Contractor or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self-Insurance. If the contractor or sub-contractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.
- 35. Confidentiality of Records.** The Contractor shall establish and maintain procedures and controls that are acceptable to the Court for the purpose of assuring that no information contained in its records or obtained from the Court or from others in carrying out its functions under the Contract shall be used or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under the Contract. Persons requesting such information should be referred to the Court. Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by the Court.
- 36. Patents and Copyrights.** The Contractor will, at its expense, defend the Court against any claim that any item furnished under this Contract infringes a patent or copyright in the United States or Puerto Rico. The Contractor will pay all costs, damages, and attorney's fees that a court finally awards as a result of such claim. To qualify for such defense and payment, the Court will give the Contractor prompt written notice of any such claim and allow the Contractor to control, and fully cooperate with the Contractor in, the defense and all related settlement negotiations.

If the use of any item furnished under this Contract becomes, or the Contractor believes is likely to become, the subject of such a claim, the Court will permit the Contractor, at the Contractor's option and expense, either to secure the right for the Court to continue using the item or to replace it or modify it so that it becomes non-infringing so long as the item continues to meet the specifications of the original Contract. However, if neither of the foregoing alternatives is available on terms which are reasonable in the Contractor's judgment, the Court will return the item upon the Contractor's written request. The Contractor will grant the Court a credit for returned items in the full amount of the purchase price.

The Contractor shall have no obligation with respect to any such claim based upon the State's modification of the item or its combination, operation or use with apparatus not furnished by the Contractor.

This paragraph states the Contractor's entire obligation to the Court regarding infringement or the like.

37. Taxes.

- A. Payment of Taxes. The Contractor shall be responsible for paying all applicable taxes. The Arizona Supreme Court is exempt from Federal Excise Tax, including the Federal Transportation Tax.
- B. State and Local Transaction Privilege Taxes. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes. Sales tax, as required, shall be indicated as a separate item on all invoices.
- C. Tax Indemnification. Contractor and all subcontractors shall pay all Federal, State and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the Court harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or State and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.
- D. IRS W9 Form. In order to receive payment the Contractor shall have a current I.R.S. W9 Form on file with the Court, unless not required by law. Sales tax, as required, shall be indicated as a separate item on all invoices

38. Termination.

- A. The Court reserves the right to terminate the whole or any part of this Contract due to failure by the Contractor to carry out any material obligation, term or condition of the Contract. The Court will issue written notice to Contractor for acting or failing to act as in any of the following:
 - 1. The Contractor provides material that does not meet the specifications of the Contract;
 - 2. The Contractor fails to adequately perform the services set forth in the specifications of the Contract;
 - 3. The Contractor fails to complete the work required or to furnish the materials required within the time stipulated in the Contract;
 - 4. The Contractor fails to make progress in the performance of the Contract and/or gives the Court reason to believe that the Contractor will not or cannot perform to the requirements of the Contract.
- B. Upon receipt of the written notice of concern, the Contractor shall have ten (10) days to provide a satisfactory response. During the ten day period, the parties will have an opportunity to address the concern. If the response is considered unsatisfactory, the Court will so indicate and participate in continued discussion toward resolving the concern. This process will continue during the ten day period until the concern is adequately addressed. Failure on the part of the Contractor to satisfactorily address all issues of concern by the end of the ten day period may result in the Court resorting to any single or combination of the following remedies:
 - 1. Cancel the Contract;
 - 2. Reserve all rights or claims to damage for breach of any covenants of the Contract;

3. Perform any test or analysis on materials for compliance with the specifications of the Contract. If the results of any test or analysis confirms a material noncompliance with the specifications, any reasonable expense of testing shall be borne by the Contractor;
 4. In case of default, the Court reserves the right to purchase materials, or to complete the required work in accordance with the Judicial Branch Procurement Code. The Court may recover any reasonable actual excess costs up to the greater of \$100,000 or the purchase price of the equipment or services that are the subject matter of, or directly related to, the cause of action, from the Contractor by:
 - a. Deduction from an unpaid balance;
 - b. Collection against any bid and/or performance bond, or;
 - c. Any combination of the above or any other remedies as provided by law.
- 39. Price Reduction.** A price reduction adjustment may be offered at any time during the term of this Contract and shall become effective upon notice.
- 40. Statewide Purchasing.** If authorized in a particular solicitation, any Arizona court or any political subdivision on behalf of a court may procure material or services described in this Contract for use by Arizona courts or judicial branch units. Where so authorized, Contractor agrees to provide such materials or services to other courts at the Contract prices and under the Contract terms. Any attempt to represent any material and/or service as being under contract with the Court which is not a subject of or addition to this Contract is a violation of the Contract and the Judicial Branch Procurement Rules. Any such action is subject to the legal and contractual remedies available to the Court inclusive of, but not limited to, Contract cancellation, suspension and/or debarment of the Contractor.
- 41. Public Record.** The parties acknowledge that this Contract and supporting documents are public records subject to the requirements of Supreme Court Rule 123. Any provision requiring non-disclosure is limited to the extent necessary to comply with that rule. In the event a public records request is received for information which Contractor has designated as confidential or proprietary, the Court will notify Contractor as soon as possible.
- 42. Criminal History Check.** The Court may require Contractor to provide identifying information for Contractor and any individuals working in judicial facilities or having access to judicial information for the purposes of conducting a criminal history records check for security purposes. Contractor agrees to cooperate with such requests and understands that the Court may terminate this Agreement if the results of the criminal history records check would disqualify the Contractor or individual and there is no acceptable alternative.
- 43. Compliance with the Arizona Legal Workers Act, A.R.S. §41-4401.**
- A. Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with A.R.S. §23-214(A). (That subsection reads: “After December 31, 2007, every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program.”). If this compliance requirement disqualifies any of Contractor’s key personnel or individuals working at the direction of Contractor and no acceptable alternative is provided the Court may terminate this contract.
 - B. A breach of a warranty regarding compliance under subparagraph A shall be deemed a material breach of the contract that is subject to penalties up to and including termination of the contract.
 - C. The Court retains the legal right to audit and inspect the papers of any of Contractor’s employee or subcontractor’s employee who works on the contract to ensure that Contractor’s personnel and any person working at the direction of Contractor is complying with the warranty under subparagraph A.

- 44. **Non-Discrimination.** The parties agree to comply with all applicable court, state and federal laws, rules, regulations and executive orders governing nondiscrimination, including the Americans with Disabilities Act, equal employment opportunity, immigration, and affirmative action. Contractor shall include a clause to this effect in all subcontracts related to this Contract.
- 45. **Notices.** Notice required pursuant to the terms of this Contract shall be in writing and shall be directed to the Court's contract administrator and Contractor's representative at the addresses specified immediately below or to such other persons or addresses as either party may designate to the other party by written notice. Notice shall be delivered in person or by certified mail, return receipt requested.
